

Week 27/4/20

Hi girls and your families, G'day Mate !!!!! (is what they say in Australia!!!!)

It has been lovely being in touch with you and we hope that you are still enjoying learning!! As you may have guessed this week we will be learning about Australia! Some of you may have relations who have been there and if you get a chance it would be great to talk to them. Australia has some very interesting native animals and landmarks. We think that you will enjoy learning about them!!!

We have the usual grid to help you plan your work. Please be under no pressure to do so. Don't worry if you don't get it all done or you have problems using the internet.

As before we have highlighted the parts of the grid that are to be put into your copy.

Folens Online – reminder

It would be very useful to set up an account <https://www.folensonline.ie/> to help you with our work. It will allow easy access to the links below. This is how you do it.

- Select Register and then select Teacher.
- Enter your personal details- name, email, password.
- In the box that says 'Roll Number' enter 'Prim20'.

There are lots of free resources available on the internet at the moment and RTE continue to broadcast daily.

Minding yourself (SPHE)

It is still important to do some nice things for others and ourselves. Don't forget to get outside to exercise (within 2KM) and play in your garden if you can and the weather is good!

We continue to miss you and are looking forward to hearing from you during the week!
Miss Clinton and Mrs O'Malley

English

- My News Recount. Tell us about your weekend. Use your 'W' words, **who** was there, **where** were you, **what** did you do, **when** did it happen, **why** did you do this, **how** were you feeling! Remember to use **capital letters, full stops and adjectives**. Remember all the words that you can use instead of 'then' (First, next, later on, soon, after that, eventually, at last, in the end)
