

Hello girls and families,

The work for this week is laid out in the grid below. These are only suggested activities, so please don't worry if you don't get it all done or if you can't access the internet. We have highlighted the work in the grid below that you will need to put into your copies and shaded the Seesaw tasks in blue.

English

We also include all of the focus words from the Starlight Combined Reading and Skills Book. We would like you to go over them and test yourself to make sure that you know them all by the end of June.

Seesaw

We are enjoying working with you on Seesaw. It is a great platform for learning, and we are all learning new skills! If you have any problems using it, please do not hesitate to contact us through email. We have seen some super work so far, keep it up!

Feel Good Friday

From now on we will allocate Friday to activities that will make you feel good. Use the time to check your learning for the week and catch up on activities that you didn't have time to complete. Then do something nice like some mindfulness or relaxation activity. You could go for a walk, play your favourite game, bake something or make something.

If you can, continue to watch RTE 2 at 11.00 <https://www.rte.ie/learn/>

We hope you have a lovely week.

Ms Clinton and Mrs O' Malley.
