

Dia Daoibh 4th Class!

Wow 4th Class you are rocking Seesaw!!

To do list-

- 1- Go to pet store.
- 2- Buy bird seeds.
- 3- Ask how long it will take for the bird to grow.
- 4- wait for the reaction.

It feels like a long time since we were all at school together, since then, I bet you've developed new skills and grown taller and wiser!

Thank you for the lovely updates and news from your families. Please continue to email your news and photographs from home for the school website as I know that you are missing your friends. It might be nice for you to see them (virtually) or show your friends what you have been up to at home.

How are your culinary skills? They might come in useful this week!!

**If you are heading out and about,
Be smart, stay at least 2m apart!**

Keep up the great work at home! Make sure that you sign up and participate in the Seesaw activities if you have not done so already.

Remember to login using your own details to publisher websites if you don't have the books at home. All instructions are on the SMNT website.

It is important to keep active, be kind to yourselves and others, help out at home and be generally amazing of course!
