

This is our last week of school so it's time to have some fun. I have suggested some activities below that you might like to try out this week. I would love to see photos of what you are getting up to on Seesaw. Well done on all the fantastic work this year girls, especially over the past few months at home. I know it hasn't been easy, but you have all done a great job and should be very proud of yourselves. I know I am **VERY** proud of you all and I have loved being your teacher this year. ♡ Have a safe and happy summer!

Virtual School Tour

We didn't get to go on a school tour this year, but you can still go on a virtual tour at home. Here are 2 tours for you to enjoy- one is to Dublin Zoo and the other is to an Aquarium. You can choose whichever tour you prefer- or both if you like. You can do the whole tour in one day or do a little bit of the tour each day. There are some questions/activities at the end IF you want to do them, but you don't have to. 😊

- **Dublin Zoo Tour**- Click [here](#) to start your virtual school tour to Dublin Zoo.
- **Aquarium Tour**- Click [here](#) to start your virtual school tour to the Aquarium.

Teddy Bear Picnic

If we were at school, we would be having a **Teddy Bear Picnic** to celebrate all the hard work you girls have done this year. So why not have your own Teddy Bear Picnic at home. Grab your teddies, pack a picnic and go outside and enjoy the fresh air. Maybe you could read your favourite book. Login to **Seesaw** to meet my teddy and to listen to me reading one of my favourite books from when I was a little girl. It is all about a teddy bear called Jonpanda!

Cooking

Try out one of these simple recipes and make some yummy summer treats for you and your family.

- **Fruit Kebabs**: Click [here](#) for a fruit kebab recipe.
- **Milkshake**: Click [here](#) for a milkshake recipe.
- **Coke Float**: Click [here](#) for a coke float recipe.
- **Fruity Ice-Pops**: Click [here](#) for a fruity ice-pop recipe.

Art and Crafts

Try one of these art and craft activities:

- **Thank You Card:** Make a card for your helpers at home to say thank you for being your home-school teachers.
- **Ice- Cream Cone Craft:** Click [here](#) for a fun ice-cream cone craft.
- **Handprint Sunflowers:** Click [here](#) for instructions.

Sport's Day

We may not have had our usual **Sport's Day** this year but that doesn't mean you can't have your own family Sport's Day at home. Try out some of these activities.

- **Egg and Spoon Race:** Or Spud and Spoon- use a potato instead of an egg
- **Sack Race:** Use an old pillowcase or strong shopping bag if you don't have a sack- but be careful!!!
- **Obstacle Course:** Create an obstacle course for you and your family. Design and plan your course on a page first. Make sure you have a start and finish point. You could include running, jumping, hopping, crawling, balancing, going over or under objects etc. Make sure to ask an adult if it is safe to use some objects from around your house- buckets, chairs, boxes, pillowcases, sweeping brush, skipping rope etc.

There are endless options for Sport's Day fun- dress up races, 3-legged races, water races, balloon races etc. Click [here](#) for some more race ideas. Most importantly remember to HAVE FUN and BE SAFE!

BE SAFE

<p>Science Experiments</p>	<p>Login to Seesaw to explore some cool experiments. Choose one to try at home. Make sure to ask your helper before trying ANY experiments. Have fun!</p>
<p>S.P.H.E</p>	<ul style="list-style-type: none"> ○ Myself: 'There is no one quite like me'- Celebrate the things that make you unique. Complete your personal crest on page 76 of your What a Wonderful World workbook. ○ Summer Safety: Learn about staying safe during your summer holidays here. ○ Gratitude Scavenger Hunt: Think about all the things you are grateful and thankful for. Use the scavenger hunt I uploaded onto Seesaw to help you if you want.
<p>Workbooks</p>	<p>You still have some pages left in some of your workbooks. These are mostly revision pages or work we did online before you got your schoolbooks back. You can do some work in these books this week or over the summer holidays to keep your brains busy if you want to.</p> <p>There are a few pages about Money at the end of your Planet Maths workbook. We learned a little bit about money already this year, but these pages are a bit trickier. If you try them at home you might find them challenging- don't worry...you will do lots of money lessons in 2nd class.</p>
<p>Summer Holidays</p>	<p>Thursday: Login to Seesaw for some songs, videos and activities to get you in the summer holiday spirit!</p> <div style="text-align: center;">  <p>School's Out For Summer!!!</p> </div>
