

Dear girls and families,

As you know, this week marks the end of the school year, and the end of our time teaching and learning together in **Second Class**. The end of each school year is always a little bit sad, as we leave our class teacher and classroom behind. It is also a very **exciting time**, as we prepare our new books and pencils for **Third Class** in September.

This year has been different for us all, as we have each been learning to use new and exciting technologies to make learning possible outside of the classroom. We have begun to do schoolwork on tablets, mobile phones and computers and started to use an app called **Seesaw**. You have been great and you should be very proud of yourselves!

Unfortunately your **First Holy Communion** has been postponed but we really look forward to celebrating it in the new school year when it is safe to do so.

Remember our **Beginning of the Year Time Capsule** worksheets that were due to be dug out in June and compared with an end of year worksheet? We can look forward to doing this in the new year. They should be very interesting as this has been a very different year!

We have some nice tasks set for you all this week, and we really look forward to seeing all of your lovely messages on the **Class Blog** on

Well done on all of your hard work this year, we have loved having you all in our classrooms each day and we wish you the very best in third class. Your new teachers are very lucky! We hope you stay safe and have a great summer holiday!!

Mrs O'Malley and Ms Clinton

Suggested work for the week of the 22<sup>nd</sup> of June 2020 Ms Clinton and Mrs O'Malley

<b>Monday 22nd June</b>	<b>Tuesday 23rd June</b>	<b>Wednesday 24th June</b>	<b>Thursday 25<sup>th</sup> June Summer Holidays!</b>
<p><b>Literacy</b> Build a reading fort, <a href="#">see Seesaw</a>.</p>	<p><b>Literacy</b> How to choose the right book, <a href="#">see Seesaw</a>.</p>	<p><b>What I loved about this year</b> Click <a href="#">What I Loved This Year</a>, Fill in each section and upload to Seesaw <b>OR</b> engage directly with the <a href="#">Seesaw task</a>.</p>	<p>Check <a href="#">Seesaw</a> for access directions to class blog.</p>
