

Teacher: Ms. Clerkin

Class: 5th Class

Week: Monday 22nd- Thursday 25th June

Hello girls,

We have come to the last week of school. Well done on all your hard work this year. This week, I have prepared lots of fun activities for you. Again, these are only suggested activities, and not compulsory! I hope you have fun completing your learning this week. You should all be immensely proud of yourselves for adapting so effortlessly to online and home learning. It was not an easy task, but we all got through it together. I am sure you will all remember these past three months for the rest of your lives. I am sad not to have seen you all before the Summer break and I wish we were in class together having lots of fun in our last week of school. Each one of you are fabulous pupils and I am enormously proud of you all! I have enjoyed every minute being your teacher and I wish you all the best in 6th class. Well done girls and have a fantastic Summer!! 😊

All the best,

Ms Clerkin.

COMPLETE THESE ACTIVITIES ANY DAY YOU LIKE! I WILL UPLOAD EVERYTHING ON SEESAW ON MONDAY @ 9.00AM

P.E WITH JOE- Take part in P.E daily with Joe Wicks for the last week of school!
(He is only doing Monday, Wednesday & Saturday next week, but you can complete any of his older videos)

<https://www.youtube.com/watch?v=XwD23OPFnwE>

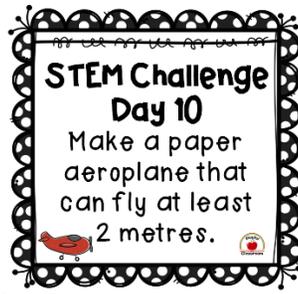

MONDAY 22nd / TUESDAY 23rd / WEDNESDAY 24th

THURSDAY 25th

DAILY S.T.E.M CHALLENGE

DAILY S.T.E.M CHALLENGE

DAILY S.T.E.M CHALLENGE

School is finished on
Thursday 25th June @
12.20pm. 😊

VIRTUAL SCHOOL TOUR

Go to **Seesaw** and follow the instructions for our virtual school tour to Dublin's Natural History Museum!

SCHOOL TOUR

MYSTERY MATHS

The Mystery of the Spoiled Party Bags-
Complete the maths questions to
work out the mystery! Find this
activity and the answers on **Seesaw**

SUMMER SCIENCE

Summer Science-
<https://www.youtube.com/watch?v=Jq1rKhE4Wg>

Watch this video and learn how to:

1. Make slime!
2. Make farmyard noises at home.
3. Make snow bubbles
4. An egg-citing eggs-periment

ART- THANK YOU CARD

- Make a special thank you card to your home learning teachers, (most likely your parents) to thank them for all the hard work they have put in to help with your home learning.

BAKING FOR YOUR NEIGHBOURS

- Lots of you have been busy baking at home. You may have seen your neighbours more than ever before and gotten to know them over these months. I know I have! Why not bring your neighbour a treat?

CREATE A SUMMER READING LIST

- Why not create a Summer reading list of books and eBooks that you would like to read before 6th class? I am working on my reading list now too!

END OF YEAR REFLECTION

- Find this 'School's Out for Summer' end of year reflection worksheet on **Seesaw**.

WRITE YOUR GOALS FOR NEXT YEAR

- At the beginning of 5th class, we wrote our goals for the year and what we hoped to achieve in 5th class. Think about and write down your goals for 6th class and what you hope to achieve in your last year of primary school!

P.E.

- Create an obstacle course. Use whatever items you have in your garden/ home to create an outdoor obstacle course. You could use skipping ropes, balls etc. Post a photo to **Seesaw** and show me what you come up with!
