

Hi everyone,

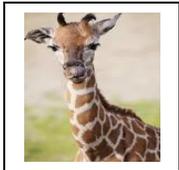

We have come to the end of our first year in primary school. It has been a very different year for us all. The girls have worked so hard and especially hard during our time at home. I have really loved getting all your photographs and work. They really have put a smile on my face, thank you for taking the time to send them to me. Thank you for all your support this year. I am sad I have not seen the girls since March but please tell them we will have time to chat and catch up in September. Please do not worry about Senior Infants. All work that will need to be revised will be done when we are back to school in September. In some of the workbooks sent home earlier in the month there are pages that can be done if you so wish. Please remember to keep THE RIGHT NOTE for Senior Infants. I hope you all have a safe and happy summer.

This week the suggested activities are more active. Have a look and see what you would like to do. I have some of the activities posted on Seesaw so you can reply and send photos if you can. I have also recorded myself reading the stories below if the girls would like to hear them.

Take care and stay safe.

Kim Rust

## Baking

Try making biscuit and marshmallow smores.  
(see below)

## Art

Make a rocket

## SESE

The importance of wearing sunscreen.

## SESE

Static electricity experiment

<https://www.youtube.com/watch?v=ZwpbuCJr63E>

<https://www.youtube.com/watch?v=7vibwnXvNww>

## SPHE

Learn to make your own breakfast.  
Send me a photo if you can.

## SPHE

Do something nice for your parents.  
Make a card/picture for them to thank them for teaching you at home.

## PE Challenge (See Below)

Try out an **egg and spoon** race at home or a **potato and spoon**! They are great fun!!

## Music

Listen to the summer music!

## Making your own breakfast

## Bunny Jumps

Do 10 bunny jumps:

- How far can you travel?
- How high can you jump?
- Can you jump higher or further than your friend?

## Skipping Track

Skip around the circuit:

- How many laps can you do?
- Are you faster than your friend?
- Can you skip backwards?

## Hopping

Hop around the circuit:

- How many laps can you do?
- How many hops can you do before you need to swap legs?

## Tiptoe Walking

Tip toe around the circuit:

- Can you tip toe fast?
- Can you tip toe slowly?
